COMPLETION: JULY 29, 2011  
COST: \$ 8,141,300

RENOVATION OF 62,505 S.F.

The former HS and junior HS is an Art Deco Modern Movement structure (1937) altered 1957, 1964 and 1982. It now serves 130 students in grades K - 6.

## Scope

- New windows and doors (windows have surface-applied muntins to resemble the original);
- Brick and stone repair, cleaning and color staining;
- New room finishes and casework;
- Code and environmental system improvements;
- Plumbing, power, lighting, data and communications upgrades;
- Sidewalk, driveway and parking lot renovations;
- Floor plan modifications, including administration area redesign so visitors would have to enter the waiting area before accessing the building;
- The existing Trombe wall installed in 1982 remains to enhance energy efficiency.

Central's renovation would have earned a sustainable rating had it been pursued.
