REVEREND HOWARD J. KING

(724) 528-3539

12,475 square foot existing facility (originally designed
by HHSDR)

1,500 square foot addition
13,975 square feet

Completed January 1996 at a cost of \$667,775.

Alterations to the worship space to accommodate revised liturgical rites, including a new baptismal font. General building improvements were also made, including masonry repair.

The new addition includes a gathering room, vestibule, ushers room, coat area, and accessible entrance and restrooms.

The Statue of the Good Shepherd is featured in front of a stained glass window in the Gathering Room and is highlighted by a skylight.
