DR. DANIEL J. BELL,  
SUPERINTENDENT, 724.981.8750

BID: APRIL 14, 2010  
COMPLETED: AUGUST 2010

CONSTRUCTION COST:  
\$ 749,908 (6 CHANGE ORDERS  
FOR A NET DEDUCT OF \$49,857)

Project scope included the design and construction administration of a new artificial turf field installation for football and soccer.

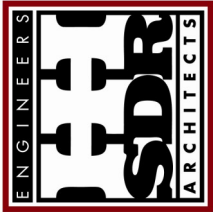

- The new turf replaced the existing natural grass field built over an obsolete drainage system.
- The existing high jump area remained. A new pole vault runway and landing pad was added.
- The design work included supplemental drainage system over the existing in-place system, and other storm water management improvements.
