DR. KAROL L. GALCIK, SUPERINTENDENT

15065-1198
(724) 226-2400

Addition	22,500 square ft.	Bid August 30, 2001. Completed June 1,
<u>Existing School</u>	<u>126,146 s.f.</u>	2003 (on time). Construction cost
Total	148,646 s.f.	\$12,604,428. State Reimbursement 33.59%

Serving 928 students in grades 6 - 8. Restoration of an existing building to preserve its landmark presence. Construction of new additions designed to compliment and enhance its original appearance. Additions: Two-Story Classroom Wing, Kitchen, Cafeteria, Offices, and Main Entrance. Building Envelope Enhancements include: aluminum window replacement replicating original design, restoration of concrete, face brick, terra cotta, and metal mansard facade elements. Interior Renovation: finishes, mechanical and electrical systems to accommodate current and future program requirements for Classrooms, Media Center, Music, Art, Family Consumer Sciences, and Technology Education. HHS DR provided full design and construction administration beginning in 2003.

**ADDITIONS AND ALTERATIONS TO
HIGHLANDS MIDDLE SCHOOL, HIGHLANDS SCHOOL DISTRICT**
1350 BROADVIEW BOULEVARD, NATRONA HEIGHTS, PA 15065-1198
DR. KAROL L. GALCIK, SUPERINTENDENT (724) 226-2400

Original Entrance (above) which remains, showing restored terra cotta columns and brick, and repainted mansard roof. The windows are new, energy-efficient, and period-style.

New Entrance Addition at renovated office and library wing (below), designed to compliment the existing.
