Luther Low serves 305 students in grades K-3, and is connected to Oakview Elementary, which was separately renovated by our firm in 2002.

The renovation addressed the following elements:

- Food service.
- Building physical accessibility, including a new elevator.
- Electrical and data upgrades.
- Lighting upgrades.
- Site accessibility.
- New loading dock.
- Site storm water management, including new retaining wall.

Part of the project included upgrades to the high school secure entrance public vestibule.
