Serving 569 students in a grades K - 6 wing of this combined Elementary / Junior-Senior High School building serving all students from K - 12. This project focused on the Elementary wing.

The building features a gymnasium addition with locker rooms and new District Administration Office wing. The existing classrooms, offices, multi-purpose room and library were completely renovated.

Other features include state-of-the-art technology and communication systems, and high-performance/energy-efficient design, materials and mechanical and electrical systems.
