

HHS DR Participates in the 4th Annual Mercer County Business and Industry Career Fair

HHS DR was one of 22 professional service, manufacturing and career training entities who exhibited at the 2017 Mercer County Business and Industry Career Fair, held March 9th at Park Inn by Radisson hotel in West Middlesex.

The event hosted 10th grade high school students from across Mercer County. It featured a talk by Mr. Arel Moodie, best-selling author and motivational speaker, team-building exercises, and the opportunity to learn about the diverse manufacturing, professional service and educational opportunities which exist in western Pennsylvania.

Sanctioned by the Oh-Penn Interstate Region working group, the Fair takes place through the efforts of the West Central Job Partnership, Penn-Northwest Development Corporation, Lawrence County Chamber of Commerce, Lawrence County School-to-Work, and the Shenango Valley Chamber of Commerce.
