Wesbury operates a Continuing Care Retirement Community in Meadville, called Thoburn Village.

Since 1985, we have provided architectural designs for 56 single-family homes. The houses are slab-on-grade, and range from 1,100 to 3,500 square feet. They contain 2 or 3 bedrooms, a family room, kitchen, bathrooms, garage porch and patio.

These custom-designed homes are built to Wesbury and client specifications, and meet Americans with Disabilities Act (ADA) requirements.
