STATE REIMBURSEMENT: 27%

After a District-wide facility study was completed in 2006 and subsequently updated in 2009, the Board selected a scope of work for its grades 5 - 12 school.

Work items include the following:

- New roof and selected window replacement.
- Repairs to exterior insulated finish system, including repair of face brick.
- Code improvements.
- New finishes for interior spaces, including reconditioned auditorium seats.
- New environmental systems, including high efficiency hot water boilers, gas-fired roof top units, new piping and unit ventilators and new controls.
- Expanded cafeteria and new fitness center additions.
- New lighting and electrical system.
- Improved storm water management, parking, drives and walks.
