\$225,000 SOFTBALL TURF

Two new ball fields were created on the high school campus, replacing existing fields in poor repair.

The site is tightly bounded by two public streets, the entry roadway to the campus, parking lots, and severe slopes. Both fields are set below the level of the streets.

Elements

- Site grading, improved storm water management.
- New synthetic turf in-fields with graphics imprinted on the fields.
- Natural grass outfields.
- New dugouts and fencing.
- New press boxes, bleachers and back-stops.
